

Introduction

Information for Applicants

Thankyou for your interest in this Water Infrastructure grant program. The Outback Communities Authority is administering this program to support eligible projects that improve potable water capture, storage, access, and efficiency across the region.

Please make sure you have [read the funding guidelines](#) before you complete this application. The guidelines contain full details of applicant eligibility, project eligibility, assessment criteria and acquittal requirements.

You will need to upload copies of quotes for expenditure items so please make sure you have digital versions of these quotes available.

Project delivery method: Describe how the project will be undertaken.

For example: contractor installation, volunteer labour, supplier delivery arrangements, community participation.

Project Budget

* indicates a required field

Funding is available for up to 75% of eligible purchase, delivery, and installation costs, with a maximum project value of \$10,000.

For projects with a value higher than \$10,000 the maximum funding available per project is \$7,500. Any remaining costs must be met by the applicant.

Applicants must contribute a minimum 25% co-contribution.

All quotations for proposed works, purchases, delivery, and installation must be attached.

Item	Total cost
Provide clear descriptions for each budget item, e.g. "25,000 litre Bushman water tank", "installation of gravel base for 25,000 litre tank"	Enter the total amount to be expended on each budget item. Must be a dollar amount.

Total Project \$ Cost

This number/amount is calculated.

What is the total budgeted cost (dollars) of your project?

Amount requested from the OCA *

Must be a dollar amount.

What is the total financial support you are requesting in this application?

Applicant contribution *

Must be a dollar amount.

This should be 25% or more of the total project cost.

In-kind Contribution (if applicable)

Water Infrastructure

Form Preview

Community organisations and incorporated associations only, describe any in-kind contribution you will make to the project.

Estimated value of in-kind contribution (if applicable)

Must be a dollar amount.

Document Upload

Using the button below, upload copies of quotes for key budget items, e.g. water tank, installation labour etc.

*

Attach a file:

A minimum of 1 file must be attached.

Applicant Declaration

* indicates a required field

For Incorporated Associations this application must be submitted by an office bearer of the Association.

Please confirm the following *

- ☐ I confirm that the information provided in this application is true and accurate to the best of my knowledge.
- ☐ I have read and understood the Water Infrastructure Projects Funding Guidelines.
- ☐ I acknowledge that funding under this program is for a one-off project and does not create any ongoing funding commitment from the Outback Communities Authority.
- ☐ I declare that the project is located within the Outback Communities Authority region, without access to a reticulated and/or potable water supply and is not located on a farming or pastoral property.
- ☐ I can confirm that a quote(s) for the proposed works, purchases, delivery, and installation is attached to this application
- ☐ I confirm that all relevant approvals or permits is or will be obtained (if applicable)
- ☐ I confirm that the required minimum 25% co-contribution will be provided.

At least 1 choice must be selected.
